Certificate of conformity of the factory production control

1301 – CPR – 1097

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Metal Structures for Structural Use in Buildings

executed according to EN 1090-2+A1, are used for construction of non-standardized and standardized structural components and structures.

The manufacturer produces steel components and structures pursuant to the requirements of EN 1090-2+A1 in execution class EXC1, EXC2 and EXC3.

The factory production control is in accordance with EN 1090-1+A1 and includes the following control of manufacturing process – structural design, manufacturing (excluding welding) and corrosion protection.

Produced by manufacturer

FER OFFICINA MECCANICA GENERALE DI DI FRANCESCO PAOLO
Loc. Cretaz St. Martin, 30, 11010 Aymavilles (AO)
Italy

and produced in the manufacturing plant

FER OFFICINA MECCANICA GENERALE DI DI FRANCESCO PAOLO
Loc. Cretaz St. Martin, 30, 11010 Aymavilles (AO)
Italy

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA3.4 and ZA3.5 of the standard

EN 1090-1: 2009+A1: 2011

under system 2+ for the performances set out in this certificate are applied and that

the factory production control fulfils all the prescribed requirements for these performances.

This certificate was first issued on 2 September 2015 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performances of the declared essential characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production control certification body.

Bratislava, 2 September 2015
